

EmpowerHer: Women in Leadership

Please join us on October 2, 2024, for an Empowering Women's Professional Development and Networking Event hosted by the National Association of Asian American Professionals (NAAAP). This event is designed to foster meaningful connections among women, providing a supportive environment where experiences are shared and valuable networks are built. Two executives will share their career success and challenges along the way. This is an inclusive event and all are welcome.

At this event, you'll have the opportunity to connect with 150 professionals:

- **Connect and Network:** Meet professionals and industry leaders, expanding your network and forming impactful relationships.
- **Learn and Grow:** Gain insights from peers and experts on key topics such as work-life balance, career progression, and leadership.
- **Support and Inspire:** Participate in discussions and activities that promote professional growth and personal development.
